

Copying One Blackboard Course to Another

Copy a Course and its Contents

Blackboard allows you to copy any or all of the content and settings from one course to another as long as you are listed as an Instructor in the source and destination course.

Prior to making copies

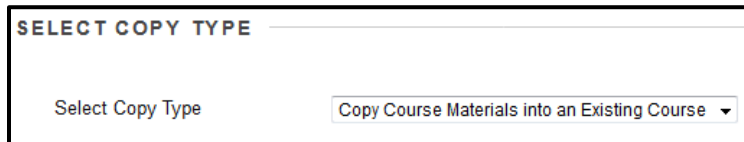

1. Open up the **Destination Course** that you are copying to.
2. Delete all the menu items in the **Destination Course** (starting at the bottom of the menu and working your way up) by clicking the down arrows next to each item and deleting it. Your **Destination Course** will be empty and ready to receive copied materials.

Locating the Course Copy Feature

3. Open up the **Source Course** that is to be copied.
4. Open up **Control Panel** in the bottom left hand corner of your screen.
5. Click on **Packages and Utilities**.
6. Click on **Course Copy**.

Select Copy Type

- **In Select Copy Type**, leave the default, **Copy Course Materials into an Existing Course**. (This is the ONLY option)

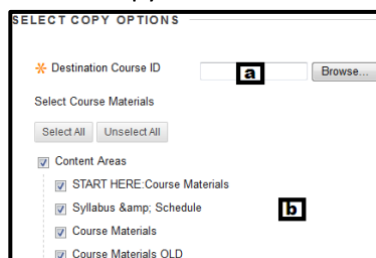

SELECT COPY TYPE

Select Copy Type Copy Course Materials into an Existing Course ▾

Select Copy Options

- **In Select Copy Options:**
 - a. Destination Course ID (required):** Click the **(Browse)** button to search through all the courses where you are listed as an **Instructor**. Find the course, click the radio button and click submit.
 - b.** From the list of checkboxes, select the materials you want to copy to the destination course. You can select individual content areas, by selecting checkboxes, or click on SELECT ALL to copy all content over. The SELECT ALL will copy Announcements over.
