

Teacher/Sign Language Interpreter Workshop

SATURDAY, MAY 4, 2019

Attend this workshop to learn about techniques in Universal Design to support all students including Deaf/hard-of-hearing. The STEM Busters workshop is divided into two tracks and participants will receive CEUs or CPDUs.

In **Track One**, teachers will learn about Universal Design for STEM classes focusing on math. Presenters will share their experience in Universal Design techniques including micro scaffolding.

In **Track Two**, interpreters will discover new approaches to the provision of interpreting service in the STEM classroom. STEM specialists will engage participant in discussion and hands-on work with content.

Time: 9 a.m. to 5:30 p.m.
FREE boxed lunch provided.

Location: Harper College, Building W
Wojcik Conference Center
1200 West Algonquin Rd.
