

## Fall 2021 Syllabus Updates

### Syllabus Template Updates

The following sections of the syllabus template contain updates for the Fall 2021 term. It is recommended that you copy/paste these sections from the updated template on the website into your current syllabi, replacing the previous verbiage.

Updated sections in order of appearance on the template:

- **Division Info Only in Syllabus Header (although Department info still encouraged if applicable)**  
– The reference to department information was removed from the syllabus header, as this info varies for each department. While it is still encouraged to include department/program information, the template header now only contains prompts for Division info.
- **Instructional and Technological Information > Required Materials > Technology** – updated Blackboard/Tech Support statement that includes links to browser information and Help Desk contact info.
- **Course Conduct & Dispute Resolution** – These two statements replace the “Behavioral Expectations” statement found on prior versions. This version contains more positive/proactive verbiage.
- **Academic Dishonesty** – Updated link to Code of Conduct resources online.
- **Student Code of Conduct** – Updated link to Code of Conduct resources online.
- **Equal Educational Opportunity Statement** – This statement was updated for the college in 2021 and replaces the “Equal Opportunity Statement” found on prior versions.
- **Student Support Resources – Fall 2021 – Full Section** – this section (consisting of the Student Success and Student Wellness and Safety subsections) contains significant revisions to keep students up-to-date with the resources available on and off campus. It is recommended you do a full replacement of any prior Student Support Resources sections with the Fall 2021 version for your fall classes.
